17 Mar 2020,  
01:37

The Squash Championships 2020 was due to start tomorrow however due to recent guidance from the government on the Coronavirus we are not going to start but instead will postpone this until sometime later in the year. The format and how this will work is yet to be decided but I wanted to make sure everyone was aware of the decision. The decision was not taken lightly due to the effort by lots of people to get the championships to this stage however we feel even if we are to proceed it is unlikely we would get to conclude it.

We are also being informed that other competitions like the Surrey Vets league are also being cancelled by Surrey Squash.

Apologies for having to deliver this disappointing news but remember it is only postponed.

The overall position of the club will be communicated shortly.

If you need any assistance regarding the championship please feel free to email me on [ebbishamsquash@gmail.com](mailto:ebbishamsquash@gmail.com)

Damian Smith

**Tournament Director**
